**Statement of Reasons**

As part of the Clovelly Road housing development, it is proposed to build a new roundabout on Clovelly Road at the western end. As part of this scheme, it is proposed to introduce a short section of prohibition of motor vehicles on the Road from Clovelly Road To Littleham Cross from its junction with Clovelly Road. The diversion route will be via a new road through the housing development and new roundabout.

This restriction is being proposed and funded by the developer of the Clovelly Road housing development.

Specifically, the order will avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, for facilitating the passage on the road or any other road of any class of traffic (including pedestrians) and for preserving or improving the amenities of the area through which the road runs.
