### **Statement of Reasons**

This traffic order is proposed as part of the Longbridge Junction enhancement scheme, to improve the area for all highway users. The proposed banned turns would allow a much simpler signalised junction on the A3125 and create a larger area for walking and cycling routes providing benefits to motorists, cyclists and pedestrians.

Specifically, the restrictions are proposed to facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
