Statement of Reasons

It is proposed to extend the No Waiting At Any Time on Streatham Drive to remove one parking space and improve visibility for a new uncontrolled crossing point connected to the new path that is being constructed.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
