Devon County Council (Prospect Park, Exeter)
(Waiting Restrictions) Amendment Order

Devon County Council propose to make this under the Road Traffic Regulation Act 1984 to introduce in Exeter

No Waiting At Any Time on a specified length of Prospect Park

Where appropriate there will be the usual exemptions including those in relation to picking up/setting down passengers, loading/unloading goods and disabled persons vehicles.

The draft order, order being amended, plan and statement of reasons may be seen at **https://devon.cc/tro** from 22nd October. Free bookable computer use is available during the opening hours of Devon Libraries. Documents are also available to view during normal office hours at the address below.

Objections and other comments specifying the proposal and the grounds on which they are made must be in writing to the address below or via **https://devon.cc/tro** to arrive by **12th November 2026.** Receipt of submissions may not be acknowledged but those received will be considered. If you make a submission, be aware that comments will be anonymised prior to being sent to Highways & Traffic Orders Committee (HATOC) members for consideration or being published on our website. Your data may be shared within the Council and with our partner agencies. Personal details will be kept confidential in line with the Privacy Notice at **https://devon.cc/troprivacy** and will only be shared in accordance with the terms of that Notice or to comply with our legal obligations.

Director of Legal & Democratic Services, County Hall, Topsham Road, Exeter EX2 4QD

Statement of Reasons

It is proposed to replace 3 metres of Resident Permit Zone G parking bay with Double Yellow Lines, and to extend these double yellow lines westwards to the next section of Resident Permit Zone G bays, replacing the access protection marking in front of the adjacent garage of number 26. This proposal is intended to facilitate access to the proposed driveway at 25 Prospect Park via a new dropped kerb vehicle crossing.

Additionally, minor discrepancies have been noted in places between what is marked on the ground, and what is detailed within the existing traffic regulation order. This proposed order also aims to resolve these discrepancies and ensures the traffic regulation order matches the markings on street.

Specifically, the restrictions are proposed to avoid danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, will facilitate the passage on the road of any class of traffic (including pedestrians) and will preserve or improve the amenities of the area which the road runs through.
