Statement of Reasons

Further to the implementation of the cycle scheme on Rifford Road, some discrepancies have come to light between the traffic order and what is marked on street. This order aims to resolve these discrepancies by correcting the traffic order to match what is marked on street.

The restrictions are proposed to avoid danger to persons or other traffic using the road or for preventing the likelihood of any such danger arising, for facilitate the passage on the road or any other road of any class of traffic (including pedestrians) and to preserve/ improve the amenities of the area through which the roads run.
